ANNEXURE - II

Analysis of the feedback from stakeholders

Alumini

The Alumini Association of the College has suggested to introduce PG Courses in English Literature and Computer Science.

For the intake of more number of students outside Nilgiris the Hostel facilities need to be improved.

Parents

The parents have expressed their content towards the students coaching and learning atmosphere.

The parents are happy with the placement drives conducted during the year.

They have also requested to increase the number of Job Oriented courses in future.

Employees

The employers are willing to appoint our students in their institution as they have good communication skills, self confidence and patience.

They have even considered the need to contribute more towards the upliftment of our students.

Students

The students are satisfied with the portion completion and the teaching methodology followed by the Institution.

They request to conduct more extra curricular activities and remedial classes.

ANNEXURE – III

BEST PRACTICE– 1

Title of the Practice : Daily Assembly

Objective of the Practice

The objective is to meet all the faculty and students in one place and disseminate the information and activities of the Institution to all staff and students. It makes them disciplined to report to Institution on time. This ensures there is no absenteeism on the part of students as attendance is randomly taken for any department or class which is picked by lot. The daily assembly serves in many other purposes. It creates a bond among the students who unite on a single platform and inculcates a feeling of loyalty to their institution.

Content :

The daily assembly is quite relevant as information is passed to all members of staff and students through a single announcement to avoid complaint against lack of awareness about any event or happenings of the Institution. This get together avoids discrimination and student's unrest as there is familiarity with one another.

This is a harmonious and healthy practice followed since the inception of the institution in 1969. The Institution conducts assembly everyday at 9.45 am.

The assembly comprises

- Tamil Thai Vazthu
- Silent Prayer
- All the announcements like inter and intra Institution events, scholarship fee, exam dates, bus passes, placement, academic and professional meets, discipline and other information are disseminated to the students.
- Honouring of achievers (both Faculty and Students)
- Any talk by an outsider which will be of interest to students is delivered during the assembly.
- Thought for the day is delivered by the faculty and the students.

Evidence Of Success

Compliance of date and schedules by one and all in the institution itself is an evidence for success of this practice. All are abreast and updated with information.

To sum up the daily assembly creates a bonding among the student community, all united in a feeling of loyalty towards their institution. It comprises a prayer as well as moral teaching which help in the holistic development of the students, making her not just a good student but more importantly a good citizen.

BEST PRACTICES – 2

Title of the Practice : Extension activity for students

Objective of the Practice

Extension activities are made mandatory for the students to promote community linkage, social responsibility, interaction with the people, problem analyzing and solving skills.

The Context

In contemporary society, the students are highly ignorant about the problems of the society where they live. Therefore it is realized that the students must be sensitized about the society and extension activities are made mandatory for them.

NSS, youth Red Cross, red Ribbon Club are functioning in the Institution and they involve the students in the activities like :

- Field Work
- Organizing camps like AIDS Awareness, drug addictions, Breast Cancer awareness, etc.,
- Promoting and enrolling members for Eye Donations.
- Participation in Marathon, Walkathon and Rallies against Drug Addiction, Child Labour etc.,
- Collecting sponsors and donation for relief and rehabilitation of people affected by natural calamities.
- Student's contribution to old age homes by frequent visits.
- Campus Cleaning.
- Cleaning slums near by the Institution.

- Medical Camps conducted in nearby slums.

Evidence Of Success

Students realized the challenge faced by the school dropouts in society. They have also realized the value and importance of education for their upliftment. As a result the dropouts from our Institution have declined drastically.

The students develop the quality of integrity through the extension activity.

The student's participation in various Socio-Cultural activities has greatly increased.

Problems Encountered

Fund mobilization to organize events of the clubs is the major problem for the Institution.
