During the one day Workshop, the students were given a far-reaching awareness about the vitality of soft skills in professional and interpersonal communications. The students were taught to groom their personality, improve their behavioural skills, manage their relationships, acquire efficient leadership qualities of an organization, analyse their SWOTs (Strengths, Weaknesses, Opportunities and Threats), build their confidence level, develop their public speaking skills, hone their presentation skills, and advance their interview skills and so on. Throughout the day, they were given hands-on training to carry out Group Discussion, Oration, Presentation, Marketing and Interview. By the end of the day, the students showed substantial progress in all these vital soft skills indispensable for their placement.
