- To give students the prospect to apply the knowledge and skills they have acquired on campus in a real-life work condition.
- To enhance the employability skills of the students.

The Department of English organized a 'Placement Training and Personality Development Workshop' for all the Final Year Students of the College on 06.04.2018 from 10.00 am to 04.30 pm. Dr. J. Iswarya, Assistant Professor, Department of English was the Resource Person for the Workshop. Understanding the gap that exists between the prevailing academic conditions and the demanding workplace state of affairs, the students were given more exposure to the arduous demands of the workplace with rigorous hands-on training and meticulous exercises designed entirely to analyze their SWOTs.

During the one day Workshop, the students were given a far-reaching awareness about the vitality of soft skills in professional and interpersonal communications. The students were taught to groom their personality, improve their behavioural skills, manage their relationships, acquire efficient leadership qualities of an organization, analyse their SWOTs (Strengths, Weaknesses, Opportunities and Threats), build their confidence level, develop their public speaking skills, hone their presentation skills, and advance their interview skills and so on. Throughout the day, they were given hands-on training to carry out Group Discussion, Oration, Presentation, Marketing and Interview. By the end of the day, the students showed substantial progress in all these vital soft skills indispensable for their placement.
